REMOTE LEARNING PLAN

COORDINATE WITH TEACHERS

Follow the learning plans, but have a chat with the teacher to learn what is expected of them and of you. Build a workflow that works for your child and your family.

SET A SCHEDULE...

You may be following a lesson plan, but it's up to you and your child to set how you'll work with it. If you do have the flexibility, set up times for study and breaks at times that work with your child and family.

...BUT BE FLEXIBLE

Changes do happen. Even if you have lesson plans and study schedules, home school is a new scenario for many. Don't be too hard on yourself. Allow time to adjust.

LEAN IN TO YOUR CHILD'S NATURAL INTERESTS

If your child is really engaged and self-driven on certain topics, schedule these topics during times where you can take a mental break or focus on other work.

CONNECT WITH PARENTS

Mailing lists or group chats are helpful. You can chat with parents going through home school for the first time, share stories, get tips. Times may be hard but you don't have to go through it alone.

PASSWORD ISSUES

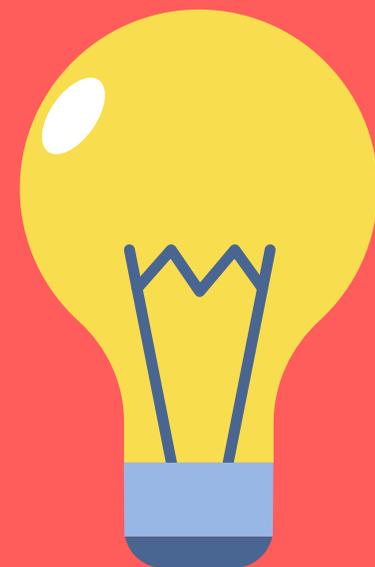

The class teacher can reset passwords
during school hours.
Please email the class teacher.

WHAT IS THE LEARNING EXPECTATION?

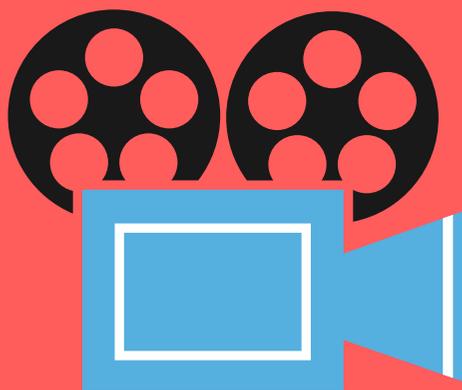

The expectation is for children to be engaged with learning between 2-3 hours per day. This will also depend on your family circumstances.

WILL MY CHILD BE VIDEO CONFERENCING TEACHERS?

At this stage, we will be using One Note as the digital platform. We are in the process of trialling video conferencing web tools and will keep you informed when these will be available.

WHAT IF MY CHILD DOES NOT HAVE ACCESS TO A DEVICE?

The class teacher can provide a paper copy of the home learning. Please email the class teacher.

WHAT IF MY CHILD IS HAVING DIFFICULTY WITH A TASK?
